

**Want to create your own autonomous system,
but unsure how to get started?**

ROS

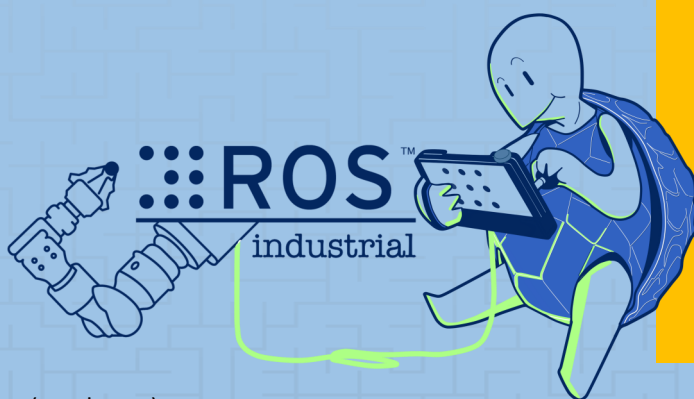

Summer School 2018

organised by ROS-Industrial Consortium Asia Pacific

Join us for the inaugural Asia Pacific ROS Summer School here in Singapore.

The 5-day course will guide you through the fundamentals on using ROS and experience first-hand on learning how to use ROS and navigate TurtleBots.

Date: Monday, Mar 12 2018 - Friday, Mar 16 2018

Time: 0900 - 1700

Venue: Singapore Polytechnic,
500 Dover Road,
Singapore 139651

Cost (5 days)

The training is 50% for ROS-I AP Consortium Members

Non-Members
